

## Skowhegan Outdoors Spring Gear Swap - Seller Registration Info and Form

**Event Date:** Saturday, March 29th, 9 AM - 1 PM

**Location:** Skowhegan Outdoors Basecamp Gear Library

**Gear Drop-Off:** Friday, March 28th, 12 PM - 6 PM

Thank you for participating in the Skowhegan Outdoors Gear Swap! This event is a great way to pass along quality gear you no longer use while finding new-to-you outdoor equipment at affordable prices. Please read the details below before completing your registration.

### How It Works:

- All gear must be registered via [THIS FORM](#) before the event.
- Only items in excellent condition will be accepted.
- Sellers will handle their own transactions (Venmo, PayPal, cash, or check—please indicate preferred method).
- Gear will be tagged with contact info and preferred payment method when dropped off.
- Skowhegan Outdoors will not process payments on behalf of sellers.
- Any unsold gear must be picked up by the seller by 1 PM on March 29th, or it may be considered a donation.
- If you choose not to take your gear back, you may donate it to the Skowhegan Outdoors Gear Library for community use. We will NOT be accepting apparel donations.

### Gear Guidelines:

We welcome a wide variety of outdoor recreation gear, including:

- ✓ Camping gear (tents, sleeping bags, stoves, cookware, etc.)
- ✓ Paddling gear (canoes, kayaks, paddles, PFDs)
- ✓ Hiking and climbing equipment (trekking poles, packs, harnesses, snowshoes, etc.)
- ✓ Cycling gear (bikes, helmets, accessories)
- ✓ Limited outdoor apparel (jackets, gloves, boots, etc., in clean condition)

⚠ We CANNOT accept:

- ✗ Used climbing ropes, harnesses, or helmets (for safety reasons)
- ✗ Non-functional or broken gear
- ✗ Excessively worn-out footwear

- ✗ Items missing essential components (e.g., tents without poles)
- ✗ Electronics with dead batteries or unknown functionality
- ✗ Excessively used apparel/clothing

### **Large Items & Outdoor Staging:**

- We have limited space indoors. Large items (e.g., canoes, kayaks, bike racks, etc.) are subject to rejection if space does not allow.
- Some large items may need to be staged outside.

### **Pricing & Payment Info:**

- Please list your Venmo or PayPal handle on the form so buyers can pay you directly.
- Sellers may also accept cash or checks, but we strongly encourage digital payments.

### **Swap or Donate:**

- If your item doesn't sell, would you like to donate it to the Skowhegan Outdoors Gear Library? You can indicate this in the form.
- Once donated, gear becomes property of the Gear Library and cannot be reclaimed.

### **Disclaimers:**

- **I confirm that my gear is in excellent condition and free of major defects.**
- **I understand that Skowhegan Outdoors is not responsible for any lost, damaged, or malfunctioning gear.**
- **I acknowledge that Skowhegan Outdoors will not facilitate any payments, and I am responsible for collecting payment from buyers.**
- **I understand that if I donate gear to the Gear Library, it is a final donation and cannot be reclaimed.**

By registering your gear for the swap via the Google Form, you agree to the above disclaimers.

We look forward to a fun and successful event. Please reach out if you have any questions.
